U.S. Floor Heating, warrants each **Radiant Floor Heating System** that it manufactures to be free from defects in material and workmanship for a period of 10 years from the date of purchase. The maximum liability by the company, covering costs of removal, freight, delivery, re installation, materials, mat repair costs, or any other material or labor cost is limited to the cost of the original defective mat multiplied by the percentage of the warranty period remaining on the materials.

This warranty applies only under ceramic tile, marble, natural stone applications and concrete layers.

All first time U.S. Floor Heating, installers are required to contact the manufacturer prior to installation. At this time a technical representative will briefly clarify critical installation procedures. The warranty form must be filled out and sent in order for the warranty to be valid.

Failure to follow these instructions will void the 10 year product warranty.

EXCLUSIONS: The following items and repairs are not covered by this warranty:

- Any incidental or consequential damage
 - Any failure that results from an accident, abuse, neglect or failure to operate or install the product in accordance with the instructions provided in the installation manual and by a qualified electrician.
 - Costs of recovering of the floor.
 - Alteration or modifications to the mat
 - Mats are not warranted if used for purposes other than those they were designed to perform
- This warranty may not be transmitted and is exclusively to the sole benefit of the original purchaser. All thermostats/controllers have a one year warranty from date of purchase.
